

I've been in your shoes The uncertainty. The wondering if

But here's what I know after helping hundreds of entrepreneurs
who succeed aren't the ones with perfect ideas. The ones that were
validated before they invested.

— Bailey —

COMING UP TOMORROW

Day 3: The Launch

DAY

3

From Idea to Execution

- ✓ Your MVP roadmap & timeline
- ✓ Pre-launch strategy that builds buzz
- ✓ The closing energy to take action

Same time, same place. **Don't miss the final**

THAT'S A WRAP

Day 2 Comp

You now have the research skills to validate

REMEMBER THIS

You don't need the **perfect**
You need a **validated**

The research you did today separates you from
entrepreneurs who skip this step

DAY 2 RECAP

What You **Learned**

Winner Hypothesis

How to spot winning ideas before investing time or money

Research Methods

Proven techniques to validate demand without building first

You have what it t

The framework is yours. The tools are

Now go validate something brill

See You Tomorrow

Day 3 brings it all together. This is where ideas b
