

I've been in your shoes.
The uncertainty. The wondering if this will work.

But here's what I know after helping hundreds of entrepreneurs: the ones who succeed aren't the ones with perfect ideas. They're the ones who validated before they invested.

— Bailey —

COMING UP TOMORROW

Day 3: The Launch Plan

DAY

3

From Idea to Execution

- ✓ Your MVP roadmap & timeline
- ✓ Pre-launch strategy that builds buzz
- ✓ The closing energy to take action

Same time, same place. **Don't miss the finale.**

THAT'S A WRAP

Day 2 Complete

You now have the research skills to validate anything.

REMEMBER THIS

You don't need the **perfect idea**.
You need a **validated one**.

The research you did today separates you from 99% of
entrepreneurs who skip this step.

DAY 2 RECAP

What You *Learned* Today

Winner Hypothesis

How to spot winning ideas before investing time or money

Research Methods

Proven techniques to validate demand without building first

Green Flags

The signals that tell you it's time to move forward

You have *what it takes.*

The framework is yours. The tools are yours.

Now go validate something brilliant.

See You Tomorrow

Day 3 brings it all together. This is where ideas become launches.

 Same time tomorrow
