The background features several large, soft-edged, pastel-colored shapes. In the top left, there is a light pink shape. In the top right, a light blue shape. In the bottom left, a larger light pink shape. In the bottom right, a light yellow shape. The central text is positioned between these shapes.

The Answer Is...

...

Both Were Made by AI.

In less than 30 seconds.
For free.

Yes, we all use AI nowadays...

**But in 2026, they've gotten so good
that hiring someone REAL is starting to
become just an option...**

JUST AN OPTION

Let that sink in
for a second.

Now let me ask you

something
uncomfortable...

If anyone can create designs like this in seconds...

What happens to YOUR Etsy shop in 2026?
