

★ REALITY CHECK

The Hard Part?

It's not building the thing.

But wait—

what about actually *supporting* these students?

(Good news coming on Day 3...)

3

Day 3:

I'll show you how to run this
without drowning in questions.

(Hint: it involves less work, not more)

This is for you if...

 You have **real knowledge** people are willing to pay for

 You're tired of **trading time for money** 1:1

 You want an offer that **builds trust** and feels authentic

Got it?

Good.

Let's move on.

Your Gift

Before we wrap up Day 2...

I made something for you.

A simple checklist to help you build your first

Mini-Offer the Right Way

The 7 Questions

1 What do people always ask you about?

2 What's the quickest win you can deliver?

3 What can you teach in under 2 hours?

4 What problem would they pay to skip?

5 What's your unfair advantage?

6 What would make them say "finally"?

7 What's the "before and after" you create?

Why These Questions Work

Find Your Genius

They unlock what you already know
but haven't packaged yet

Skip The Guessing

No more wondering "will people
actually want this?"

Build With Confidence

Create something people are already
asking for
