

# This is for you if...

-  You sell (or want to sell) **PNGs, tumbler wraps, or other digital designs** on Etsy.
-  You've tried AI... but your designs either **look "off"** or sit there with **0 sales**.
-  You're tired of guessing what to design and want a **demand-first system** you can follow every week.
-  You want AI to **speed up what already works on Etsy** — not replace your eye for quality.
